

World Leisure Day

16 April 2024 - World Leisure Day was actively promoted in Slovakia under the auspices of Professor Dr. Elena Bendikova, PhD. and Associate Professor Dr. Róbert Rozim, PhD., who in cooperation with other volunteers actively participated in the preparation and implementation of remarkable events and workshops across Slovakia, whether in primary and secondary schools, but also on the campus of the Department of Physical Education and Sport of the Faculty of Education of Catholic University in Ružomberok.

Part of the event was also an international scientific conference held at the Department of Physical Education and Sport of the Faculty of Physical Education in Catholic University in Ružomberok under the auspices of the Dean PaedDr. Peter Krška, PhD., who also welcomed the Commissioner of the Youth Ambassadors of the World Leisure Organization (WLO), Professor Dr. Miklós Banhídi, Ph.D., amongst others. At the same time, Professor Elena Bendíková, PhD. gave an invited lecture at an international event entitled: "World Leisure Youth Ambassadors Activities" focusing on "Healthy Leisure, Healthy Environment, Leisure for Health, Sustainable Development". Heartfelt thanks for the excellent cooperation and collaboration go to: The Ján Bakoss Primary School with Kindergarten in Banská Bystrica represented by Mgr. Ľubica Berkyová and Mgr. Alexandra Kovalčíková, as well as their pupils, the Primary School with Kindergarten Okoličianska in Liptovský Mikuláš, represented by PaedDr. Andrej Glončák (school representative for the 2nd grade) and PaedDr. Mojmír Šrobár, the headmaster of the Primary School Klačno in Ružomberok. Thanks also go to the Slovak Archery Association represented by the President Ing. Vladimír Bužek. We are very happy that we could together support an idea that connects the world and people.
